The Freestyle F-1437 features both therapy and bench style seating with the addition of the Cal Spas Exclusive Vertical Hydrossage™ station. This is our most popular model under our Fitness Swim Spas line. The F-1437 allows endless swimming at beginner to advanced levels. While you enjoy the standard features such as two river jets with on/off air control valves and jets placed at foot level for maximum relaxation, you also get the added touch of our Elite cabinet panels and upgraded corners.
